HOW TECHNOLOGY MEETS CLASSROOM NEEDS

CHALLENGES

Teachers spend nearly
2 HRS every night

searching for supplemental resources and creating materials.

Discovered resources are hard to
DIFFERENTIATE.

Teachers need new ways to
weave CORE SKILLS into different subject areas.

66% of teachers use instructional materials that have not been school - reviewed.

SOLUTION

Britannica educators and editors created **LaunchPacks...**

...a trusted, continuously updated, interactive, curriculum-aligned, digital classroom tool!

BENEFITS

Save Time

Find expertly compiled PreK-12 resource sets that align with curriculum needs.

Personalise Learning
